

# Venture 1:9 is excited to announce a strategic partnership with...

## POSTMODERN PULPIT

**You do the ministry. We do the webistry.**

Websites can be frustrating, expensive, and ultimately disappointing for too many ministry leaders. Postmodern Pulpit creates ridiculously affordable, 100% done-for-you websites so you never have to worry about your website again. You just focus on the ministry!

### Service Offerings to Venture 1:9 Non-profits

Postmodern Pulpit offers 3 simple and affordable packages for Venture 1:9 non-profits :

- ❖ **New Website Build - \$600:** Get the website you've always wanted: beautiful, clean, and loaded with features like live streaming, blogging, messages, calendar, email sign-up, and more. Share your ministry's story with the world!
- ❖ **Website Management- \$50/month:** You are pleased with your current website, but need help with regular updates, upkeep, and overall functionality. This is the package for you! Postmodern Pulpit becomes your "web guy" (or girl) that's just a phone call or email away.
- ❖ **New Website + Maintenance - \$99 to start and \$50/month:** Need the works and a break on the upfront costs? Get the website you've always wanted plus our web team for all management, maintenance and updates. That's right! Get your site built and maintained for 12 months for only \$699.
