

Venture 1:9 is excited to announce a strategic partnership with...

At Virtuous, we are committed to helping charities re-imagine generosity, knowing that generosity is driven by passions, personal connections and relationships, not sales transactions. The Virtuous platform is empowering organizations across the country to reclaim the joy of fundraising and grow their giving by better understanding their donors, resulting in mind-blowing ministry impact!

Service Offerings to Venture 1:9 Non-profits

Virtuous is proud to partner with Venture 1:9 and is offering 10% off Subscription and OnBoarding costs for all new customers!

- Easily-manage donor relationships and contacts
- Relate givers to one another to create effective “giving networks”
- Connect social media profiles, pictures and demographic data across 200 public data sources
- Automate emails, task assignments, calls, direct mail or data updates based on donor interests
- Merge ANY donor data into email including custom fields from your CRM
- Build and sync lists in real-time without messy spreadsheets
- Track your send, open and click statistics down to the donor level
- Drive increased giving by using automated workflows to create personalized follow-up
